

Court-ordered therapy questions

Does court-ordered therapy mean the same thing for everyone?

No. Read the written requirement and clarify it with the court, attorney, probation officer, or other official named in the paperwork.

Is an evaluation the same as ongoing therapy?

An evaluation is an assessment. Ongoing therapy is a different service. Ask which is required and whether both are needed.

Can Brave Path guarantee acceptance?

No. Brave Path can discuss outpatient fit and documentation, but the referring authority determines what meets its requirements.

How do I share sensitive paperwork?

Ask the provider for a secure method. Confirm the recipient and consent requirements before sharing records.
