

Brave Path outpatient services

Brave Path outpatient care

Brave Path can discuss non-emergency mental health and substance use support, including part-time and full-time day treatment. Ask about current services and how an assessment is arranged.

When another service is needed

Brave Path is not an emergency, detox, or inpatient service. Call 911 for immediate danger or a medical emergency. Seek medical guidance when withdrawal may be a concern.

What to ask before starting

Ask which services fit your needs, how care connects with outside providers, what the attendance requirements are, and whom to contact outside scheduled sessions.
